Sir,

I am directed to state that in accordance with your letters No.2515-16/C.B. dated 17th December 1940 and No.2777/C.B.39th January 1941, the War Technician Training contemplated by the Government of India was started in the College of Engineering from 25th February 1941. Sanction of Government for the payment of allowances to the Instructional and Clerical staff of the College of Engineering for work connected with the scheme was conveyed in your letter No.869/W. dated 13th October 1941. The Principal, College of Engineering, felt the need for the appointment of a full-time accountant on Rs.60/= in lieu of the part-time appointment originally sanctioned. Last year, a retired official was appointed and the Principal, College of Engineering seeks the sanction of the University for the continuance of his services.

All expenditure - the stipends to the trainees, the salaries payable to instructional and clerical staff etc., - is met by the India Government. The Principal, College of Engineering, as Head of the Institution is authorised to draw and disburse the amounts. But as an Officer of the University he seeks the sanction of the University for appointment of persons. It is doubtful whether in making appointments the recruitment rules and the Provisions of the Mysore Service Regulations are applicable. With a view to clarifying the position, I am to request early instructions of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

D.S. for
Registrar.

(V) As stated by the Regr. the extra expenditure in connection with the Scheme is being met by the Govt of Austria. This Govt has agreed to undertake the training of technicians in the Eng. College and subsequently the Govt Council Anchorage the application of the Scheme to the Eng College Bhore. The Principal as the Head of the Training Centre is guided by the Training Manual T.T. Scheme and he is responsible for the working of the Scheme according to the instructions contained in the Manual. Their refer is invited to Paras 40 & 41 of the Manual re Clerical & Inferior Staff and leave to such staff. The Principal was managing with the existing staff of the College (to whom allowances for this extra work are being paid out of the Colombo Govt funds) and he seems to have appointed a full time accountant, evidently with the permission of the Regional Inspector concerned. Such appts are temporary and terminable at one months Notice (136. Para 41 of the Manual) In view of the above the recruitment rules perhaps Need Not be made applicable. Provisions of the MSR are Not applicable to such staff as the Training Manual gives particulars of the leave to which they are entitled to. Orders for perusal & orders whether a reply may be sent to the Regr stating that the recruitment rules and the provisions of the MSR are Not applicable as Anchor of the University is Not Necessary for appts in connection with the Scheme.
